

The CODE Investing funding process

1

You or your advisor submit a new funding proposal for [debt](#) or [equity](#) financing online.

2

After passing the initial assessment and signing our engagement letter, you will start the CODE Investing Bootcamp diligence process. We will help you prepare all required investment documentation, prove your credibility and make your business investor-ready.

3

Upon completion, your investment opportunity is offered to our network of capital providers and listed on our [investment portfolio](#).

4

Successfully raised funds are transferred securely to you within 15 working days.
